Dare you discover the spooky secrets of the slums?

As the nights draw in, London Treasure Hunts explores the eerie and atmospheric side of London. Discover the ghosts of the old City and find out their stories, before following in the footsteps of the East End's most notorious residents, including Jack the Ripper.

This evocative hunt has already been named by Visit London as one of the top five things to do in the capital this Halloween. It's crammed with hidden knowledge of the area and the history of London in all its gory glory, from Boudicca's rebellion to the dark secret that now lies beneath the Gherkin.

Fiendish puzzles and challenging clues await as you unravel the mysteries of London, but first you have to ask yourself: Dare you delve into the Shadows of the Slums?
