

## **Painter, Sailor, Soldier, Giant now available**

### ***Who will you meet?***

Here at London Treasure Hunts, we're so excited about our new hunt, that we just had to release it early. This time we've been exploring the legal and leisure heartlands of London to uncover a series of amazing personal stories that helped make London what it is today.

Painter, Sailor, Soldier, Giant is the result. It has all the head-scratching clues and fun facts you've come to expect from London Treasure Hunts, but we're turning the focus on the human side of London, the people who have lived and worked here over the centuries, rather than the city itself.

So if you want to find out which painter wrecked a royal marriage or the dark secret of an American Founding Father – this is the hunt for you! Delving further into the trail you can meet the man thought to have pioneered modern anatomy, and the giant who fell prey to his obsession.

Funny, tragic, or just plain bizarre; London is full of stories like these. So if you're looking for an unusual and entertaining day out this summer, why not try Painter, Sailor, Soldier, Giant – you never know who you might meet!

Painter, Sailor, Soldier, Giant is available now on [www.london-hunts.com](http://www.london-hunts.com), priced at £12 per hunt. Further information can be found on our website or by contacting us on [press@london-hunts.com](mailto:press@london-hunts.com)
